Reworked assets

Connected foot & ear

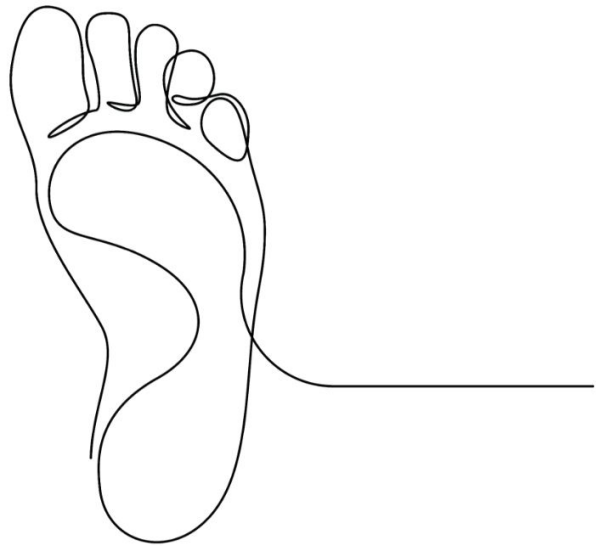

Foot line options

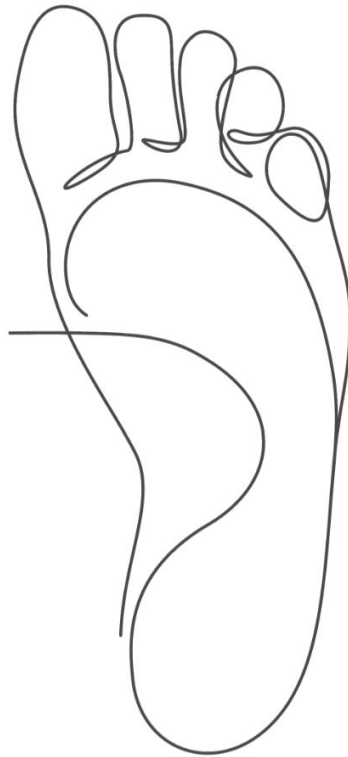

To 'connect' the right foot to the ear, I've redrawn the line coming out of the foot.

There are two ways of doing this that I think work.
Any preference? (I've gone option #1 in this doc)

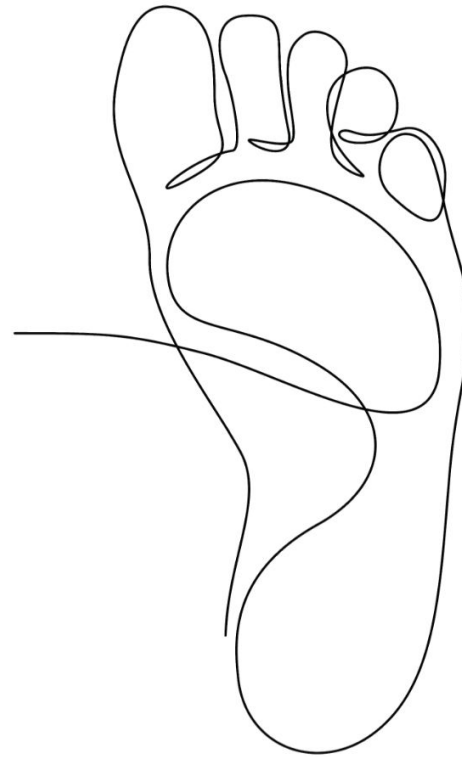

Original

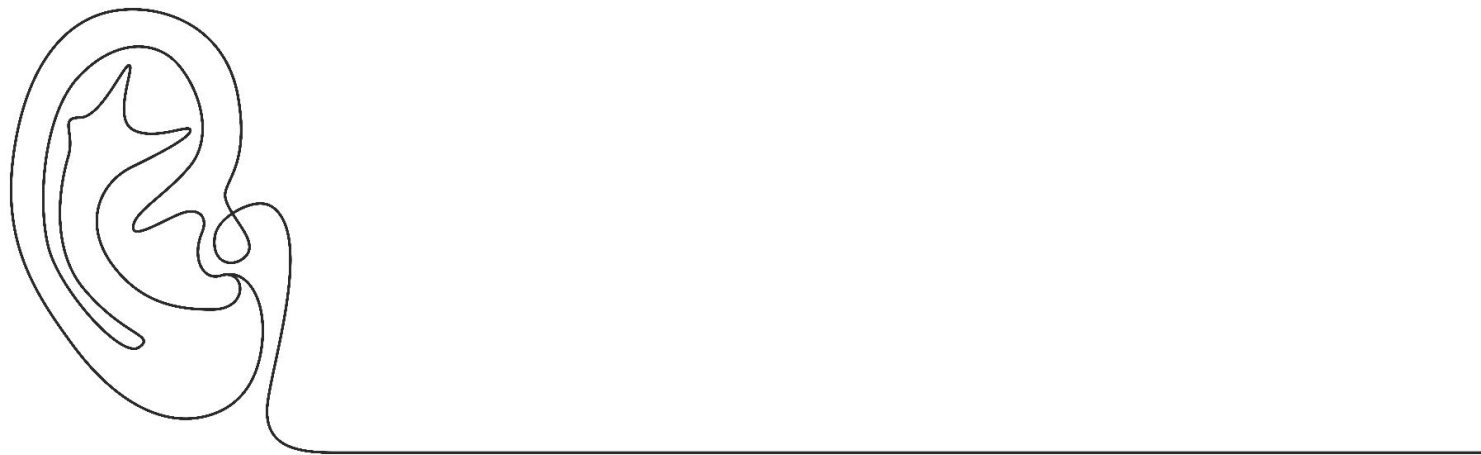

Option #1

Option #2

Ear only

Foot only

Typography

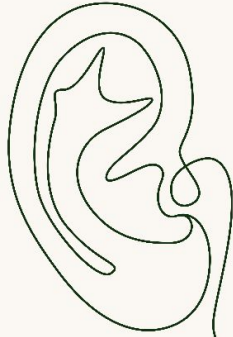

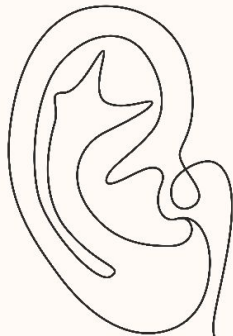

Colours

**Depending on how/where you use the logo, you
could play around with some subtle off
white/black shades to soften it a little**
